EDUCATION

🎓 Georgia Institute of Technology ('16-'18)

- M.S. Human Computer Interaction

🎓 Stony Brook University ('12-'16)

- B.S. Computer Science with Honors
- Minors in Digital Art and History
- Studied abroad at EFREI and University of Seoul

EXPERIENCE

👤 Volunteer, AE Lab (Fall '16-)

- Developing an augmented reality storybook for the Augmented Environments Lab using Argon.js

🔗 Pypester, Pypestream (Summer '16)

- Developed admin CMS for Pype Managers in React.js and Redux.js, resolved >100 CSS bugs
- Coded new features like agent management for a 3.1 launch to be used by enterprise clients
- Participated in UAT and designed mockups for new features requested by clients in Sketch

🌱 Student Leader, Codepath (Spring '16)

- Led a 12-week student bootcamp to learn and teach iOS development in Swift
- Developed one iOS app per week to learn fundamentals of Swift

🎨 Graphic Designer, SBU (Fall '15-Spring '16)

- Created web graphics, flyers, and other promotional material for department events

📺 Digital Products Intern, HBO (Summer '15)

- Assisted in front-end development using react.js of an internal HBO CMS
- Developed a search feature from UX research, UI designs, and implementation
- Designed mockups and wireframes of potential HBO NOW features

PROGRAMS

🖱️ Xcode 💎 Sketch 🎮 Unity 📄 Photoshop
🐘 Blender 📧 Framer 🐙 Zeplin 🎬 After Effects

PROJECTS

🎨 Graffiti, Pennapps (Sept '16)

- Designed and developed an AR app in Swift for iOS which allows users to leave virtual graffiti around the world

🔴 Dots (May '16)

- Created a video with After Effects inspired by Google Now's branding; purchased by SBU's president

📶 Roam, HackNY (Sept '15)

- Created an Android app in Java which lets you get Google Maps directions with no data

🎮 Stokr, Hack the North (Sept '15)

- Developed a Mac OSX App that allows you to play any Steam game on a Macbook

LANGUAGES/ FRAMEWORKS

🌐 HTML	⚙️ React
🌐 CSS	🎨 Sass
🌐 Javascript	📄 Less
📦 Bootstrap	🔥 Swift
🐍 Python	☕ Java

FUN FACTS

🇯🇵 (Fluent) 🇺🇸 (Basic)

In undergrad:

🇯🇵 Japanese Student Organization (President)

🎮 Stony Brook Game Developers (President)
